NHRA UNLEASHED DROPPED FROM SCHEDULE CDP SCHEDULE CHANGE MADE FOR JULY 15 & 16

A joint decision was made on Tues, June 21 between the NHRA and Cordova Dragway Park to cancel the NHRA Unleashed Series Event at CDP that was originally scheduled for Fri & Sat July 15 & 16. Within a few days, the NHRA will be making a major announcement concerning the Unleashed Series. "The decision to cancel the Cordova Event was multi-fold", said CDP Track Operator Scott Gardner. "The current economic conditions along with what NHRA is going to announce were the ultimate deciding factors", he said. All racers who had pre-entered the Event will have refunds made to their credit cards.

The CDP schedule will now be changed for July 15 & 16. Fri July 15 will be a **Rev-Hard Fun Night** with open racing for everyone. Sat, July 16 there will be a **Points Bracket Series Event** (make-up for a previous rain-out). The Motorcycle class will not be contested.

The Points Bracket Event on Sat, July 16 will be a **Richmond Gear Weekend Warrior's Special**. Winners in Super Pro, Pro ET, Super ET, True Street and Trophy will win a prize package. The total overall value of the prize packages for this event will be \$20,000. Richmond Gear is a leading manufacturer of professional quality, hi-performance ring and pinion sets, Bullet Proof Transmissions, and Performance Lockers.

Please make a note of the schedule change.

Motorized Pit Vehicles (NEW NHRA POLICY)

Due to insurance regulations, new this season at ALL Division 5 NHRA race-tracks, it is a requirement that all Motorized Pit Vehicles (Scooters, Sprees, Golf Carts, 4-Wheelers, etc) be registered at the Racetrack in order to be operated at the track. The cost is \$10, a registration form must be completed to keep on file at the track, and a sticker will be issued to affix to the pit vehicle. This Pit Vehicle Registration is **not optional** and is **mandated** by the NHRA. Complete details and forms are on the website www.cordovadrag.com and at each track. Mini-bikes, ATV's, golf carts and related vehicles can ONLY be operated by licensed drivers. Each vehicle must display the car number of the team/driver it is with. Reckless driving of any type will NOT be tolerated, and the team/driver will be verbally warned for the first offense and the second offense will result in a disqualification from the racing event. These types of vehicles must be operated in a safe manner at all times, as mandated by our insurance company. No such vehicle is to be operated in the restricted area of the pits, EVER! This will be strictly enforced!!

Helmets

If you use a Snell 2000 helmet for racing, please be advised that these helmets ARE STILL GOOD for the 2011 drag racing season but they WILL EXPIRE on 12/31/11 and you will need to get a Snell 2005 or newer helmet for racing starting on 1/1/12.
